Dear Ian Hanna,

The accreditation length for ITL Circuits (Audit 193408) has changed.

The new accreditation expiration date is January 31, 2021.

This email serves as evidence of the accreditation length change. A revised certificate will not be issued. The new accreditation expiration date will be shown in the online QML at www.eAuditNet.com.

Please contact PRI if you have any questions about the change or how the change may impact the scheduling of your next audit.
